Chapter 1. Getting Started. This chapter covers the basic tasks that you might need to perform just after you have installed Red Hat Enterprise Linux 7. Note that these items may include tasks that are usually done already during the installation proces, but they do not have to be done necessarily, such as the registration of the system. ...

Chapter 1. Getting Started Red Hat Enterprise Linux 7 ...

In Chapter 1, we used only hardcoded data because our goal was to show how to lay out the web page and how to change that layout in response to certain events (for example, the user clicking a menu button). Now we'll make sure that our single-page application, Save The Child, can request data from external sources and send data, too.
