Forget-Her-Nots is a lovely story. Laurel is grieving following the death of her mother, and though she wanted to go to boarding school since her father is never home, she struggles to make friends once there. When she discovers her affinity for working with flowers, it gives her a purpose and a means of connecting with her fellow students.

Forget-Her-Nots book by Amy Brecount White

Laurel is giddy to discover her ability, an art that brings her closer to her mother, but she is still unskilled, and in a school full of girls, emotions and magic can spin out of control rather quickly. Amy Brecount White has taken an intriguing Victorian art and given it a modern, magical spin in Forget-Her-Nots. The book is brimming with history and flower knowledge and meanings, which adds to the novel's appeal and sets it apart from other novels of its sort.
