### Full Version Boeing 777 Aircraft

The Boeing 777 family of aircraft currently has two main passenger versions plus a Boeing 777 Freighter version flying. The two main passenger versions are the Boeing 777 200 and the Boeing 777 300 variants. Although their air-frame measurements such as wingspan, wheel track and tailplane are the same, the major difference is the fuselage length.

### Boeing 777 Specs - Modern Airliners Civil Aviation Aircraft.

777 Business Jet (777 VIP) – the Boeing Business Jet version of the 777 that is sold to corporate customers. Boeing has received orders for 777 VIP aircraft based on the 777-200LR and 777-300ER passenger models. The aircraft are fitted with private jet cabins by third party contractors, and completion may take 3 years.
