Anne Sebba - Wikipedia

This is a book about women and how they lived during the German occupation: women who had to manage families in this very difficult time, women who were part of the resistance, women who put their lives on the line for preservation of art, women who suffered terrible atrocities upon capture and at Ravensbruck and other concentration/labor camps, women who were entertainers, prostitutes, women who sometimes compromised in order to feed their children or survive.

The subtitle of the book is "How the Women of Paris Lived, Loved and Died Under Nazi Occupation." And it delivers its promise. "Les Parisiennes" follows women who were both resistantes and collaborators during the war, even some who tried to walk that center line -- not "really" collaborating but certainly not "resisting" the attentions of the German occupiers of Paris or what they might provide.
