Ethics & Compliance. Human Rights. Global Equity, Diversity & Inclusion. SAFETY. Education. Military and Veteran Engagement.

**Boeing: Airport Compatibility - Airplane Characteristics ...**  
Manual is manual; auto is auto. Do NOT mix the two. If you truly feel the airplane speed control can do a better job than you can, you are already behind the eight ball. The speed control on the 744 sucks! The systems are logically good, but the automation is geared for the lowest common denominator.
