Previous to purchasing the Sanyo ECJ-HC55S rice cooker, I had a simple Oster rice cooker that did an adequate job. It only had a toggle switch that cooked the rice. It made pretty good white and brown rice, but there were also some issues with it. The bowl was lightweight and the non-stick coating was flaking off.

I got the Sanyo ECJ-E35S Rice Cooker/Steamer as a gift 8 years ago and it's still going strong as of this post. After eight years or so, the only problem with the rice cooker is that my friends and family have scratched up the 3.5-cup inner pot because they decided to use forks and spoons to mix up the rice.
