Medicus Investigation Series by Ruth Downie

The protagonist once again is Gaius Petreius Ruso, or Ruso; with his wife Tilla playing another strong role. Ms. Downie does a wonderful job of painting life in Roman Britain and Semper Fidelis is no exception. Her portrayal of Ruso, the Emperor Hadrian and his wife Sabina, Tilla, Geminus a Centurion, and the rest of the cast were all well developed and real.

I'm still not exactly sure how Roman army medicus Gaius Petreius Ruso made it out of the last book's frying pan, but in Semper Fidelis, with a little prodding from his British wife Tilla, he plummets right back into the fire. Travelling back from his hometown in Gaul with Tilla in tow, Ruso is briefly posted as medicus to the 20th legion, which is already gaining a reputation for unluckiness--and that's before it is landed with the hapless Ruso.

Serial physician (medicus) and detective Gaius Petreius Ruso is assigned to investigate the suspicious disappearance of both tax collector Julius Asper and money owed to the coffers of Emperor Hadrian. Ruso traces a path between the Roman command center in Londinium and the northern metropolis (Verulamium) whence Asper and his brother (also "missing") have presumably fled.
