Anyway, for this year we have to settle for a green version of the LT80. KFX/LT80. Since the LT80, or as Kawasaki calls it, the KFX80, is one of the best stock minis you can buy today, we thought it was worth taking another look at. Priced at \$2299, the KFX80 is powered by a very peppy, electric starting, air-cooled two-stroke engine.
