Acces PDF The Greatest Benefit To Mankind A Medical History Of Humanity Roy Porter

Roy Porter Harper Collins, £24.99, pp 831 ISBN 0 00215173 1 Before I read this, my knowledge of medical history could be summed up in a few sentences. I knew that the medical-industrial complex had become a victim of its own success and that until quite recently doctors could not do much. I had an idea about their professional status, without knowing how that privilege was won and protected.

The Greatest Benefit to Mankind: A Medical History of ...

Samuel Johnson once called the medical profession the greatest benefit to mankind. In the 20th century, the quality of that benefit has improved more and more... Free shipping over \$10.

The Greatest Benefit to Mankind: A... book by Roy Porter

For this book is precisely what its subtitle claims: a "history of humanity." That it is a medical history should not deter anyone; Porter has made the case that, for all its faults and flounderings, medicine has at least aimed to be "the greatest benefit to mankind." Read the book, and you will understand both why and how.
