Organizational Behavior - Open Textbook

An organizational chart is a visual communication tool that allows employees and other stakeholders to see employee job titles as well as the reporting relationships in an organization. The organizational chart usually portrays the organization's structure using boxes and vertical and horizontal lines to connect the boxes.

What Do Job Titles Signify on an Organization Chart?

Research in Organizational Behavior publishes commissioned papers only, spanning several levels of analysis, and ranging from studies of individuals to groups to organizations and their environments. The topics encompassed are likewise diverse, covering issues from individual emotion and cognition to social movements and networks .

Research in Organizational Behavior - Journal - Elsevier

Scott notes that "from this perspective, an organization's hierarchy can be viewed as a congealed set of means-ends chains promoting consistency of decisions and activities throughout the organization". (p. 46) Two key concepts, both attributed to Simon, are related to the theory of administrative behavior.
